Subject: AMI RS' membership to EASA

Dear Mr Pilatov, *Dear Sergey,*

I wish a warm welcome to AMI SR as a new Member of EASA. On the occasion of its meeting which took place in Paris on April 16, 2019, EASA's General Assembly has ratified by a majority of the votes of Full Members present or represented the admission of AMI RS as EASA Observer Member. As an Observer Member, AMI RS representatives are welcome to attend our meetings an access all our supporting documentation including our [Best Practice Recommendations](#) and [Members only documents](#).

You will shortly be receiving by mail your personal login and password allowing you to access the Members' Area of EASA's website which includes all the papers from our meetings.

I remain, along with the Secretariat of EASA, at the disposal of AMI RS to address any queries it may have and, more generally, to support the advertising self-regulation initiative in Russia.

Yours sincerely,

Lucas BOUDET
Director General
